

## Wilmington will not finance Tambone

An article, submitted for the consideration of the Town Meeting last March, but too late to be included in the warrant, will not be part of the warrant for the special Town Meeting of June 23.

The article, by petition, asked the Town Meeting to take by eminent domain the 28.4 acres of land owned by the Tambone Corporation, off Woburn Street and by the Ipswich River, on which Tambone proposes to erect 274 apartments, under the provisions of Chapter 774, the so-called Snob Zoning Act.

The article was killed by the Board of Selectmen, in a regularly constituted meeting, Tuesday. The chairman announced that it was a "three to two" vote. Three selectmen were present and voting. Two were absent, Aldo Caira and George Boylen, having had previous commitments, but there was said to be a letter in which both men announced that they were against taking the land by eminent domain.

The placing of the article in the warrant for the coming special town meeting had been a sort of political cliff hanger for the past week.

It had been submitted too late for the March town meeting. There had been a promise that it would be included in the next special town meeting. At that time there were those who believed there would be a town meeting within a month or so.

When the selectmen inspected it, a week ago, it was noted that the words "not later than March 1975" had been included in the proposed article, and that the proper "metes and bounds" had not been included, so that there could be no legal description of the land.

For a week the political part of Wilmington has been rife with speculation about what was going to happen. There have been rumors of certain politically active persons visiting the Town Counsel, in an effort to have the article re-written or reworded.

The proof, one way or another, it's up to them (the proponents) to was to be read Tuesday evening in sell it. It is not a Board of that there were no changes in the Selectmen's Article.

The discussions of the Miceli: The article as drafted three selectmen were about the article and submitted, is illegal. I have article as it had been submitted for the March town meeting.

Selectmen James Banda and James Miceli opposed the article strongly and Selectman Danny Gillis, the chairman, declared the article dead. Both Banda and Miceli went to some pains to establish their reasons.

Banda: I may not support this, but it's in the Democratic way of life. It is a petitioned article, and

## Near drowning victim on road to recovery

Mark Ouelette is a lucky five year old, lucky to be alive and in full command of his senses. He was released from the Choate Memorial Hospital in Woburn last Friday, and in a check-up Tuesday was reported to be doing "just wonderfully."

Mark almost became a tragedy on the 28th of June at the Town Beach at Silver Lake. He was immersed in the waters of Silver Lake for a total of four minutes, and that is enough to cause death, or permanent brain damage.

His mother, Betty Ouelette of Marion Street (near the apple monument) was with the youngster and other children, at the beach, on May 28th. At about 3:20 p.m. she noticed her son was not present. She dashed into the water, and as she describes it, she found a hole, and in that hole was a body, which she hauled out and to the beach.

It was not her son, it was a companion. Meanwhile a young lady,

unknown to her, dashed into the water, found Mark, and hauled him out. The young lady was Alison McGoff, of 11 Appletree Lane, Andover, a student.

"When they brought out Mark I thought he was dead" Mrs. Ouelette said. The color was gone from his face, and water was pouring from his mouth.

The young lady (Alison) and a young man known as Vern applied mouth-to-mouth resuscitation, and the color began to return to the boy's face.

"It was fantastic" reports Mrs. Ouelette. "I didn't know of that drop-off." "Three other women helped, very helpful. The police came, and the ambulance, and they took the boy to the hospital."

The police were Arthur Lynch Jr., and Pat Leonard, and they report that the water was really "pouring out" of the boy. The near tragedy, they report, was near the bath house, near the Town Beach.

**Summer School -  
an enrichment program**

The Wilmington Summer School, this year, is entering a new phase. Remedial courses, and advancement courses were offered last year. This year the program also has enrichment courses, to stimulate the pupils.

Credit will be given to high school students, or those about to enter high school, for successful completion of courses.

There will be a flexibility unknown before.

There will be courses, to remedy deficiencies, and to up-grade marks. Pupils with an average of 55 to 64 will have the opportunity to make up credits lost during the preceding year.

Students will be able to attain depth in a field of special interest, this to elect more advanced courses in the regular school year.

Students will be able to accelerate their studies, and have more opportunity to complete graduation requirements in a shorter period of time.

There will be, too, a tuition charge. To enroll in a 1½ hour summer course will cost residents \$20, and out of town residents \$30.

A second course, for residents, will cost \$10.

A three hour course, for residents, will cost \$30, and for non-residents \$60.

This means that the student must be in a decision making position. After consulting with the guidance counselors, and parents, the student will make his own decision. The pace of studies is rapid, and a person attending against his will is not likely to succeed.

The classes start July 7. There will be courses in the Buzzell School for Grades one to six; and in the high school for grades seven to 12.

Students, grades seven to 12 have until June 10 to register for make-up or review courses.

The enrollment office is in the North Intermediate School, James

F. Jordan Jr., Director.

Tuition refunds will be made if any course is cancelled because of insufficient enrollment.

The enrollment office for Elementary School pupils will be in the Buzzell School. The telephone number is the same as the North School - 657-7111 and 657-7061. Students may register until June 10.

In both cases the subjects listed for enrollment may be obtained at the school.

WILLIAM H. DRUGAN: Of Chandler Rd., Wilmington received his bachelor of science degree in education, summa cum laude, from Norwich University, Northfield, Vermont, May 24.

He was a member of Epsilon Tau Sigma, the University's academic honor society, and the Student National Education Association. He was also active in intramural sports for four years and completed his practice teaching requirements last fall in Northfield.

William is a 1971 graduate of Austin Prep.

## Bits & Pieces

### Silver Lake

The beaches at Silver Lake are not scheduled to open until June 21 - other words there will be no lifeguards, etc. until that time. Already there have been several accidents, a near drowning, and other incidents, the most bizarre of which was about ten days ago, when a child was hit by a spear gun from a kind of gun used by scuba divers. It happened over near Grove Avenue.

Last week there was quite an odor, in several parts of the lake, according to reports, and there were a lot of dead fish floating in the lake Monday morning. Is someone conducting a fish-weeding program? Among the fish were several nice bass.

There is a rumor now of a weed killing program.

### Rudy Carrasco

His name is Fructuoso Carrasco, and he was the Parade Marshall, this year for the Memorial Day Parade. Everyone calls him Rudy, though, and there is a general agreement that Rudy did an outstanding job. He established a new record, too.

In every program, at least for the past fifty years, a high school boy or a Boy Scout has recited the Gettysburg Address, by Lincoln, in front of the Soldier's Monument. This year, through a slip-up, there was none.

Rudy filled in, on a moment's notice, and did quite a creditable job. Now he has the record - the oldest "boy" ever to recite Lincoln's Gettysburg Address at the Wilmington Memorial Day observances.

### College grad

The paper is full of names of college grads, this week. Perhaps one who can be mentioned is Robert Vassallo of Kilmarnock Street. Robert is a Motor Vehicles Inspector, and has lived in Wilmington for about three years.

While holding down his job he has accomplished four years of college at Boston State, and will graduate Saturday.

At Boston State Robert was on the Dean's List, and on the President's List, for the entire four years, which is quite an accomplishment in itself while he is busy supporting a family which includes three children.

### Lose some

Mrs. Juanita Jackson, director of Wilmington's Kindergarten Program since its beginning in 1973, was the guest of honor at a farewell dinner held for her on Wednesday, May 21 by the kindergarten staff. The event was held at the Butcher Boy Restaurant in North Andover and as a going-away gift, Mrs. Jackson was presented with a scrap book made up of Town Crier clippings regarding Wilmington's kindergarten program from its very beginning.

Earlier in the month, Mrs. Jackson was the honored guest of school principals at a luncheon held at the Colonial, and at the most recent school committee meeting, she was presented a gift by the Kindergarten PAC.

Mrs. Jackson left last week for Cincinnati where she will serve as director of reading for the public schools of that city. Her husband, John has been transferred there by General Electric.

### Win some

Although the loss of Mrs. Jackson is a serious one, Wilmington's Kindergarten program will not suffer. It has been left in the capable hands of Richard Gorham of Chelmsford and Ralph Ambrose of Concord.

Mr. Gorham taught sixth grade science at the Wildwood School for six years and for the past two years has been assistant principal of the Swain School. Mr. Ambrose, currently supervising principal for four of Wilmington's schools is a 25 year veteran of the Wilmington School Department.

### Really bitten

The flea market bug has bitten nearly everyone at one time or

another, but not everybody has driven over 500 miles to attend such an event. Mrs. Esther Jackson and son Kenny Hapgood of High Street did - they spent the Memorial Day weekend in Amish Dutch Country in Pennsylvania - attending a flea market. Reportedly a most enjoyable weekend. Mrs. Jackson is an employee of Converse Rubber and Kenny is a student at the Woburn Street School.

### Accepted to Berkley

Richard Goodspeed, a senior at Wilmington High School has been accepted to the Berkley School of Music in Boston. He plays the tuba in the WHS marching band and the Souzaphone in the concert band.

### Donate to auction

At least two Wilmington merchants have donated merchandise to be auctioned on TV for the benefit of the educational Channel 2.

Mac & Duff's Sport Shop at Silver gave an expensive pair of hockey skates and Wilmington Ford offered a new Pinto.

### Married - again

On Sunday, June 1, 1951, Mr. and Mrs. Edward Reese of 9 Oakdale Rd., Wilmington were married in a civil ceremony. On Sunday, June 1, 1975, their 24th anniversary, the couple was married again, in a religious service.

The Rev. George B. Taylor, III performed the ceremony before friends and relatives at the Wilmington Congregational Church. Serving as attendants for the occasion were Mrs. Gertrude Morse of Oakdale Rd., and Mrs. Gladys Blankman of Winthrop, sisters of the bride, and Mr. and Mrs. Harry Jenkins of Winthrop. Mr. Jenkins is a brother of the bride.

Immediately following the ceremony, a reception was held at the couple's home, where friends, relatives and neighbors gathered to help celebrate the occasion.

### Eames Street miracle

Barely two months ago, doctors at New England Memorial Hospital were fighting for the life of Frank Darling Sr. of Eames St., Wilmington and for several days they feared they had lost their battle.

Last weekend Mr. and Mrs. Darling (Frank and Dot) travelled to York Harbor, Maine to visit his sister, Mrs. Grace Hayward whom they hadn't seen in years, and Frank drove all the way - both ways. He states that he feels better now than he has for years.

While in Maine, the Darlings also visited Dot's brother, the Rev. Lewis Chase of Berwick.

Mr. and Mrs. Darling will observe their 45th wedding anniversary on Thursday, June 5.

### Visit Ireland

Eugene Sullivan and sons Timmy and Donal of Crest Ave., Wilmington left Logan Airport last week for an extended visit with friends and relatives in Drimoleague, County Cork, Ireland.

They are expected to return home early in August.

### Golden agers

Wilmington Golden Agers who are about to observe birthdays include, Helen Bennett of Burlington Ave., June 10; Leon Gagnon of Lake Street, June 8 and Letitia McCabe of Woburn St., who will be 97 on June 10.

### Scout cleaned canal

Prospective Eagle Scout Walter Suppi, of Wilmington's Troop 136 spent six hours on Sunday, May 25 cleaning debris from the section of the old Middlesex Canal between town park and across Butters Row. He also collected trash from the parking lot at town park.

In order to become an Eagle Scout, aspirants must complete a stipulated number of hours performing community service.

Walter was assisted in his endeavour by Scouts Ronnie Knott, Mark Melanson, Scott Romanowski, John Peterson, Buddy Barlow and Jeff Gorman. In all, they collected six large bags of rubbish.

### Skirts & Flirts

Members of the Skirts and Flirts square dancing group of Wilmington who performed delightfully at the Bi-Centennial Program on May 17 have invited any interested onlookers to join them.

### Theresa J. DuBois

A degree in Bachelor of Science degree in Physical Therapy has been awarded to Theresa J. DuBois of 161 Burlington Avenue, from Marquette University in Wisconsin.

### Health-minded dogs

It would seem that Wilmington's canine population is more health-minded than its people. Seven hundred and seventeen dogs presented themselves for the Rabies shot offered them by the Board of Health last Saturday at the

### highway garage.

Four hundred and thirty-one residents turned out to take advantage of the flu shot offered by the board of health last fall.

### Wilson E. Rice

A Bachelor of Science in Engineering Technology degree was awarded to Wilson E. Rice, Jr. son of Mr. and Mrs. Wilson E. Rice of Wilmington from Wentworth Institute on May 30.

The oil used for gear lubrication is as important as the oil that is used throughout the rest of your car.

It must be an easily flowing type of oil, even at low temperatures, and it must be able to replace itself as needed. The type of oil most often used in cars, is of this special kind, and can also provide adequate lubrication at higher operating temperatures.

Lubricant in standard transmissions should be checked at least twice a year.

## Wildcats cop Class C again

Coach Frank Kelley's Wildcat tracksters copped their second consecutive outdoor "Class C" championship last Saturday, topping their closest competition, Acton-Boxboro by 21 points.

After the field events, Wilmington was positioned in fourth place on the strength of Dana Roueche and Joe Tannian in the long jump, garnering second and fifth respectively.

The two mile final saw Doug Spring (second) and Ian MacInnis (fourth) qualify for this Saturday's All-Class finals at Andover (10:00).

The varsity showed their strength and depth in the running events. Rick McCully captured a gold medal in the 180 low hurdles (19.7, a class record disallowed because of wind) and the Mite Relay contingent of Tim Nee, Tony Gravalles, Roueche and Steve Coville turn the same trick in that event, shaving over four seconds off the class record set last year.

Robert Sferrazza finished third in the dash. Roueche fourth in the

220. Nee third in the 440, and Steve Goville lowered his W.H.S. record in the 88 to 1:58.4 while gaining a strong second.

A fifth by the 4 x 110 relay squad (Sferrazza, Mark Blaisdell, Joe Tannian, McCully) and another by Tannian in the lows rounded out another fine Wildcat performance.

The girls varsity, participating in their first season on the cinders, earned a strong fifth place in their league meet last Wednesday.

Place winners for Coach Jan Cassidy's crew included firsts from junior Ellen O'Rourke (long jump) and freshman standout Pam Strand (shot put). Ann Gillis picked up a second in the 220 and anchored the third place 4 x 110 relay comprised of sophomore speedster Judie Dudley and freshmen Karen Zolondick and Debbie Olson. Debbie also picked up a fifth in the 100 as did Sue Capone (440) and Eileen Godfrey (880). Donna Begonis (fourth mile) and the medley relay team of Lisa Giroux, Donna Dorval, Pat Berry and Kathy Barry also showed well.

## Wilmington B Team wailed Wayland 4-0

The Wilmington Recreation soccer team chalked up another shut out win, Saturday, by defeating the team from Wayland, 4 - 0.

Wilmington dominated most of the game and started the scoring early. The first goal of the game was put in by the team's leading scorer, Chris Briggs. The play started when Eric Wood passed up to Briggs who pushed a pass town through where John Connell put it right back to Briggs for a wicked shot that easily eluded the Wayland goalie.

The second goal was scored by Eric Wood from John Connell and Chris Briggs. Briggs took a pass from Connell and gave it to Wood for the score. That score ended the first half with Wilmington on top 2 - 0.

Wilmington started the second half rather shakily, but got back on the track with a tally from John Connell. Eric Wood passed in the middle to Bill Gallagher, who spun a shot off to Connell who wasted no time and whistled a shot past the Wayland goal keeper. The final score was put in by Capt. Greg Wood. A foul by Wayland gave Wilmington a penalty kick. The kick was taken by Wood, he fired the ball into the left side of the net for the 4 - 0 final score.

Once again the defense was super with an all-around tremendous performance. The shut out was the fifth in the year and the third in a row.

Next Saturday Wilmington invades Needham looking for their fourth straight win.

On June 1 Tyngsboro-Dunstable came to town and after the shoot out left wishing they had gone fishing instead. They were out shot 31 - 10 and outscored 9 - 2.

The only goal in the first period was by Rick Zambarnardi assisted by David Kidd and Keith Ford. This was the first of four by Rick for the day. Period two scoring was Daryl MacDonald assisted by Don Foley and John Cushing, Gordon Smith assisted by Kevin MacDonald and two more by Rick Zambarnardi assisted by Keith Ford. Tyngsboro-Dunstable finally got on the board at 11:52 of period three. Keith Ford scored assisted by Tim Moran. T/D scored again making it 6 - 2.

Ever-ready Jeff Stouffer scored from hard working Bobby Magliozzi and Frank Newark. Billerica scored again.

Bobby Williams Fired one in on assist from Richie McHugh and Chuckie McNeil. Billerica scored again. In the second period, persistent Bobby Williams and McHugh repeated the trick. Still Billerica scored again.

The next game will be played against Reading.

**Bantam A (3-1-1):** Last Saturday, Wilmington knocked Reading from the undefeated ranks 6 - 2. Reading scored early in the first period, but B. McCann assisted by Foley tied it up late in the period.

In the second period Reading moved out in front again, but less than a minute later Mickle tied it again with the assist to Kmon. In the third period Wilmington tallied four quick goals in the first five minutes to wrap it up. B. McCann scored on a nice feed from Kidd. Robinson scored from T. McCann on an excellent give and go rush. Foley scored on a sweep pass from the boards by Kidd who was prone on the ice.

Foley scored again a minute later when he drew the goaltender out and slipped in a backhand. Assists on the last goal went to Mugford and Kidd. Wilmington played with only three defensemen, Giroux, Mugford and LaLiberte who were outstanding, as were goaltenders Iozzo and Rick Ballou.

## Wilmington senior set

The Council of Aging will sponsor a bus trip to Rockport on June 18. The bus will stop at one of the local restaurants in or around Rockport and the council will treat the seniors to lunch.

All seniors interested in the trip should contact the center at 657-7595 no later than June 16.

On June 11 there will be another dancing lesson at the center from 1 to 4 p.m.

In case anyone doesn't know, the center is located in Wilmington Plaza and is open Monday through Friday from 10 a.m. to 4 p.m. An arts and crafts program is available; pokeno and card games may be enjoyed and the health nurse is at the center every Tuesday from 1 to 4 p.m. to check blood pressures.

All seniors with problems of any sort are urged to contact the council of aging - they could find a surprising amount of help there.

## Bits & Pieces

### Mike is home

Mike Weinberg, owner and manager of Weinberg's Department Store in Wilmington Center for more years than most of us want to admit remembering has returned to his North Andover Home from Mass. General Hospital where he had been confined following surgery.

Over the years Mike has benefited Wilmington in many and varied capacities. Among other things, he was the first person ever to serve as president of Wilmington's Little League, having been elected to the post in February, 1953.

### Trip to Niagara

Thirty eighth grade geography students from the North Intermediate School in Wilmington and their teacher, the adventurous William Peabody, left by bus Wednesday morning for a three-day visit to Niagara Falls.

Perhaps the most remarkable factor involved in the event is that the youngsters earned nearly \$1,200 toward their own expenses.

Mr. Peabody said that the trip is in keeping with the "overall study of geography" and will even give the youngsters a taste of a foreign country; a border crossing and the thrill of re-entering the U.S.

While at Niagara the group will stay at the Niagara Imperial Hotel and will visit Ripley's Museum, Sir Adam Buck Generating Station, the Maid of the Mist, they will eat dinner in the Skylon Terrace Cafe Cabaret, visit the Skylon observation level and tour all the usual points of interest.

Mr. Peabody and his group are accompanied by Richard Thackeray of the school committee; Mrs. Quinn, Mrs. Seville, Mrs. St. Hilaire, Mr. and Mrs. O'Sullivan, Mrs. Cunningham, Mrs. Cook, Mrs. Robichard, Mrs. Ritchie and Carolyn Landry.

### Jamboree in Tewksbury

On June 6, 7 and 8, the first council-wide jamboree to be held in twenty-five years will be conducted in Tewksbury under the co-chairmanship of Wood Badgers Jack Clarke and Harold Dow.

Participating will be Scouts from Lowell, Billerica, Tewksbury, Wilmington, Chelmsford, Dracut, North Chelmsford, Westford and Tyngsboro. Over 1,000 persons are expected to take part.

### It's smiling

Some will call it fantasy, but the old East Wilmington Improvement Association hall, now resting comfortable on its new foundation on Parker Street, and soon to become the home of the Kevin McMillan's, certainly appears to be smiling.

### Register now

Registration for the 1975 summer session at Northern Essex Community College began on Wed. June 4 and will continue on June 5, from 9 a.m. to 8 p.m.; Friday, June 6, 9 a.m. to 9 p.m. and on Mon., Tues., and Wed. June 9, 10 and 11.

### With highest honors

James Fairweather II, son of Mr. and Mrs. James Fairweather of 34 Columbia Street, Wilmington was among the 100 seniors who received degrees from Wentworth Institute on May 30.

With highest honors, James received his degree in Architectural Engineering Technology. While at Wentworth he was a member of Tau Alpha Pi.

### Glen Rd. family day

Last Sunday was Family Day at the Glen Road School in Wilmington. The event, sponsored by the Glen Road School Parents Club was highly successful and well attended. There were the usual games and contests and refreshments were served.

Bicycle and doll carriage parades were featured with prizes awarded to the first three winners.

For having the most attractive bike, Pam Rodreigues won first prize; Robert Giorlando second and Mark Leverone third.

Winner of the doll carriage display was Krista Leverone, and the big wheel award went to David Schmitt.

The event was conducted under the chairmanship of Mrs. Frances Schmitt of Glen Rd.

### Paper Doll II

Wilmington Rotarian, Dave Blackman recently purchased a power boat, the Paper Doll II, in Florida and invited several friends to assist him at sailing it up the coast to Gloucester where it was to be home-ported.

Approximately a month ago, Bennett Bedell of Hillside Way, Wilmington and Danny Cosman of Lawrence St., flew to Fort Lauderdale to become members of what Rotarians have termed "Blackman's Navy." The trip to Gloucester took the Paper Doll II and her crew three weeks.

### Others

Other Wilmingtonites, of varying ages who will be observing their birthdays soon include: Barbara DelRossi of Woburn St., June 15; Roberta Knight of North St., June 8; Eileen Sullivan of Crest Ave., June 11; Rosemarie Martyn of Federal St., June 19; Brenda Kasabuski of Lake St., June 15 and Pat MacFeeley of Burnap St., June 20.

### Some like to work

Compugraphic Corporation of Wilmington has recently bestowed attendance awards on 156 employees with six months or more perfect attendance. The company offers an award for each month without an absence.

One employee, Rita Kostillo was honored with a five year perfect attendance plaque. There received awards for four years of faithful attendance; seven for three years; 11 for two years, nine for 18 months; 28 for one full year and 97 for six months.

### CCD concludes

A folk mass, celebrated by Father Mackin at St. Thomas Church recently brought this year's CCD classes to a close.

The mass was prepared by seventh graders who were also the speakers. Lori Ann Brozyna read the opening comments and Maryetta Leahy read the Kyria and the Communion Song.

Jamie Shepard was the first reader of the Liturgy; Pamela Casey read the Responsorial Psalm, followed by Alfred Tutela, the second reader of the Liturgy. The General Intercession were prayed by Lynne Wayman.

Music was provided by Theodore McKie, guitarist and the Mass was concluded with an award ceremony in which both teachers and students were honored.

### Elissa Stira

Elissa M. Stira, daughter of Mr. and Mrs. John Stira of 2 Dell Drive, Wilmington graduated with a certificate from Fisher Junior College at ceremonies held at John Hancock Hall May 31.

Elissa was enrolled in the one-year advanced secretarial program at Fisher, which is located in Boston's Back Bay.

She is a 1974 graduate of Wilmington High School.

### Fishing derby

## Letter

Dear Larz:

May I impose upon you and your readers to say thank you to my friends in Wilmington for a wonderful 22 years? Wilmington was good to me over the last 22 years, with Boy Scouts, Cub Scouts, Girl Scouts, Demolay, Hathaway Acres Association, Lions Club and all the rest.

A good life, with wonderful neighbors, I would list them all, but for the fear of leaving one out. Suffice to say, I remember them all.

A word about my trip west to San Diego. It was very pleasant travelling across our beautiful

country and one thing was extremely noticeable. The cleanliness of it. Once I left Massachusetts I saw no rubbish, beer cans, or junk on the highways. There was more rubbish and litter on Route 62 from Route 93 to Route 38 than from Connecticut to San Diego, 3300 miles. This is unpleasant to write about, but the truth, and I hope the truth is not too harsh.

Once again, thank you all for some wonderful memories.

Sincerely,  
Bill Crane  
3117 Crane St.  
Lemon Grove Calif. 92045

(You are right, Bill. Everyone who reports to the Town Crier says Massachusetts is the worst offender for rubbish and beer cans along the roadsides and in the parks. - Ed.)

## Tambone Land

FROM FRONT PAGE

piece of land, and start in the same game again.

3. It would be deluding the townspeople, playing games with them.

4. I am opposed to it because it is illegal in its present form.

Gillis, the chairman, told the two selectmen that he felt as they did, - it (the article) would cost "an arm and a leg."

He held that if the article had been submitted at a time for inclusion in the annual warrant it could have been effective - but this wasn't allowed. Gillis further stated that this would be "extra pressure on the courts" and he would "like to give the people a shot at it - even if it meant a loaded Town Meeting."

Madelyn McKie, who was one of two ladies in the audience, pointed out that the land was on the Ipswich River, and that the Ipswich River Water Shed Association was trying to have the river "declared a critical area." She went on to say that she did not know if "self help aid" could be given to the town, but that "it is a critical area, and any development is not going to help the river."

Miceli declared that the town would be "playing games with geography." If the town took the land from Tambone, he declared "Tambone would petition in another 774 area - and if not Tambone someone else" and "the town would end up buying land everywhere."

It would be, he said "sheer folly to expend hundreds of thousands of dollars."

Banda: I firmly believe that the lawsuit (against the Board of Appeals decision, Ed.) is the best course. He went on to say that "all arguments will come out at the Finance Committee hearing."

Gillis made a statement which perhaps was intended to finish the discussion - saying that he had always been "against 774" and that he would always be.

He went on to criticize the Water

Department and the Board of Appeals in their work on the 774 decision. The Water Department, he declared, did not seek the assistance of Town Counsel, when it came time to make a decision (about the proposed sewer to the Tambone project), and the Board of Appeals "refused to sit down with Town Counsel."

Gillis made a few more statements about the Board of Appeals. "All the information entered by the citizens had nothing to do with it," Gillis said, apparently referring to statements

made by the Board of Appeals on the Tambone decision, and "when the two hearings came through they were saying 'not listening to you, my fellow voters.'"

"I may never run for office again" Gillis declared. Gillis then asked "can we allow more time for signatures?" "I wouldn't do that" declared Mrs. McKie.

"okay, it's dead" said Gillis.

Mrs. McKie then declared that "the source of money" for the 774 Projects in Massachusetts "is dwindling."

## Wilmington Bypass has EPA approval

The Environmental Protection Agency has approved the proposed Bypass of Wilmington Square. Rep. Fred Cain was notified last Thursday that the study has been completed, and approval given.

The present proposed bypass has been in the "talking stage" for over five years. Since it was first proposed during the current plan-

ning, in a Planning Board session in which Prof. Charles Eliot and Mr. Cain participated, the proposed route has had to be changed several times because of new construction, etc.

Mr. Cain has successfully had money set aside to purchase the land, if and when final approval is given. The road would go, as presently planned, from a point easterly of the fork of Lowell and Main Street, through the woods to a point near the fire station, and across Middlesex Avenue and the "Wildcat" Railroad, in back of the Wilmington Plaza, and finally join Main Street near and across from the new railroad bridge near Rock's.

TOWN CRIER, JUNE 5, 1975

Dear Sir:

As president of the League of Women Voters of Wilmington I would like to clear up any misunderstandings that may have resulted from Mrs. Anne Linehan's letter recently published in your newspaper.

The league was not an organizer of the Colonial Arts Festival or the Liberty Pole capping ceremony. Consequently we had no part in planning the ceremony at Rotary Park.

Our members often participate in other town activities and are therefore in the public view, but unless they announce that they are authorized to speak for the League of Women Voters their actions, personal opinions and statements should not be interpreted as reflecting league policy or positions.

Sincerely yours,  
Cynthia R. Sullivan, Pres.  
League of Women Voters

## Not from New Jersey

North Reading and Wilmington Police co-operated Friday afternoon in capturing two motorcyclists who were having a merry time in both towns, as well as in Andover.

They first came to the attention of Officer Leonard because of their speeding, and not wearing helmets, on Salem Street. He signaled them to stop and they turned down into a gravel pit.

Other police were called, as well as North Reading police, who happened to be near. One of the motorcyclists, the older one, was captured without too much trou-

ble, but a juvenile took off across country and was captured by the North Reading police about 45 minutes later.

Both gave false names and addresses to the police in Wilmington station, claiming New Jersey addresses.

They were arraigned in Woburn Court Saturday morning by Sgt. Don Mercier. The plea was Not Guilty, and the trial date set for June 19. Charges included, refusing to stop on signal; speeding, no helmet, and one was charged with using a motorcycle without authority.

## Navajo Indians and Michelle Caira

Michelle Caira is a Wilmington teacher, and a member of a well known family off Chestnut Street. She has been teaching in the Wildwood School, and is popular with her pupils.

For the last year Michelle has had a leave of absence, while she taught in a school in Arizona, run

by an order of Catholic Sisters for the Navajo Indian Reservation.

The school, known as St. Michael's School, is located about 30 miles west of Gallup, New Mexico, in the northeast corner of Arizona.

Michelle is home in Wilmington

just now. She has with her some of her Indian pupils, and they are enjoying a week in Massachusetts where, besides Wilmington they are visiting such places as Lexington and Concord. She stopped in at the Town Crier office Tuesday, where pictures were taken.

MICHELLE AND THE GANG: At the Town Crier office. At left is Frank Allison, Ralph Jones, Bryan Jones, Donald Jackson and Lamont Yazzie, all Navajo youths and pupils of Michelle.

Michelle, a fifth grade teacher, is next to last at right. The person at extremem right is Marie Kenney of Chelmsford, who is secretary to the Sister who is head of the school.

### Miceli proposed Ainsworth Road acceptance

One article that did not get into the warrant for the special town meeting of June 23 was a proposal to accept Ainsworth Road, the "non-kosher" street in North Wilmington.

James Miceli proposed that there be such an article, in the warrant for the coming special town meeting, accepting the street. It was time he thought, to try to do something.

It could not be done, he was told, because of the "betterment" problems, but it might be possible to put in an article for another town meeting. This, the selectmen agreed will be done.
